

**Detroit Public Safety Academy
Fire & Tornado Drills Report Form
2015 to 2016**

Fire Prevention Act 207 House Bill 1941 requires five (5) fire drills each school year – three (3) should be conducted in the Fall due to weather conditions, and two (2) drills during the remainder of the academic year. Two (2) in-building tornado safety drills and three (3) lock down drills are also required by law.

Fire Drills

Date	Time Drill(s) Conducted By:	# of Participants	Evacuation Time	Comments
